Dear Kindergarten Parents,

Each year, we send a list to the transportation department during the summer that includes the names, addresses and phone numbers our Kindergarten students. The bus schedule is arranged and posted in August. Please check with your school district to find out where the bus schedule is posted so that you may obtain the correct time of arrival and departure for your child.

If you have any concerns about pick up or drop off you can contact the transportation department at:

Rose Tree Media Transportation	610-627-6475
Garnet Valley Transportation	610-579-7482
West Chester Transportation	484-266-1040
Wallingford Swarthmore Transportation	610-892-3470

Kind Regards,
Sharon, Barbara, & Phyllis
